

ENTRY PRODUCT

# Approval & Handoff Sheet

Close projects more cleanly with a visible approval record and fewer missed handoff steps.

## What this preview shows

A concise PDF set for approvals, revision notes, and final delivery signoff. This file is a branded sample that outlines the system structure, included files, and pricing logic without revealing the full purchased documents.

Audience: Teams that need a simple delivery control document before buying a larger system

# Included files and use cases

## File breakdown

### Approval system pack (PDF, 7 pages)

A lightweight signoff workflow for client delivery and internal approvals.

## Use-case examples

1. Add a quick quality-control layer before client delivery
2. Use as a first purchase before upgrading to the QA bundle
3. Create a more professional signoff process

## Deliverables preview

1. Approval sheet
2. Revision notes page
3. Final signoff page

# Pricing tiers and preview terms

## Single PDF • \$24

For businesses that want a cleaner closeout process right away. Reduce end-of-project confusion with a single focused document pack.

Includes: Approval sheet • Revision notes page • Final signoff page

## Control Pack • \$59

Adds supporting handoff and delivery pages. Create more structure across revisions, approvals, and final delivery.

Includes: Everything in Single PDF • Handoff notes page • QA checklist

## QA Bundle • \$99

Upgrade into the full delivery control workflow. Turn one signoff document into a repeatable delivery quality system.

Includes: Everything in Control Pack • Delivery QA Bundle

## Preview terms

This watermarked PDF preview is intended for evaluation only. It summarizes the system structure, deliverables, and pricing ladder while withholding the full purchased documents. Purchased files remain digital downloads for internal business use only and may not be redistributed or resold.
