

**BEST FOR FULFILLMENT**

# Delivery QA Bundle

Reduce missed steps and make every delivery feel more intentional and reliable.

## **What this preview shows**

A delivery system bundle for approvals, revision control, and final handoff quality assurance. This file is a branded sample that outlines the system structure, included files, and pricing logic without revealing the full purchased documents.

Audience: Service teams that need consistent delivery and stronger quality control

# Included files and use cases

## File breakdown

### QA workflow guide (PDF, 18 pages)

Explains how to implement the review and approval system internally.

### Delivery checklists (PDF, 12 pages)

Printable checklists for teams and contractors handling final deliverables.

## Use-case examples

1. Add a quality-control layer before client delivery
2. Structure revisions so fewer tasks slip through
3. Align a contractor or small team around consistent review standards

## Deliverables preview

1. Delivery checklist
2. Revision request tracker
3. Approval workflow SOP
4. Final handoff checklist

# Pricing tiers and preview terms

## Checklist Pack • \$39

A light-weight entry product for tighter final delivery. Start catching handoff mistakes before the client sees them.

Includes: Final delivery checklist • Approval notes page

## QA Bundle • \$99

A complete review and delivery flow for growing service businesses. Create a more dependable final-mile process without overcomplicating your ops stack.

Includes: Everything in Checklist Pack • Revision control SOP • Client approval workflow

## QA + Handoff Suite • \$179

Adds team handoff assets for businesses delegating across multiple contributors. Protect quality as tasks move between account, ops, and production roles.

Includes: Everything in QA Bundle • Handoff brief pack • Contractor coordination sheets

## Preview terms

This watermarked PDF preview is intended for evaluation only. It summarizes the system structure, deliverables, and pricing ladder while withholding the full purchased documents. Purchased files remain digital downloads for internal business use only and may not be redistributed or resold.
