

OPERATIONS CORE

Service Ops Manual

Replace tribal knowledge with a repeatable operating manual your business can actually use.

What this preview shows

An internal operations bundle with recurring task SOPs, approval rules, and workflow governance pages. This file is a branded sample that outlines the system structure, included files, and pricing logic without revealing the full purchased documents.

Audience: Service businesses that want an operational baseline beyond onboarding

Included files and use cases

File breakdown

Operations manual (PDF, 34 pages)

The central process guide for recurring service operations.

Workflow appendix (PDF, 10 pages)

Supporting pages for approvals, escalation, and recurring maintenance.

Use-case examples

1. Build an internal source of truth for recurring service work
2. Create workflow rules before hiring more help
3. Reduce time spent explaining the same process repeatedly

Deliverables preview

1. Weekly operations SOPs
2. Approval matrix
3. Escalation guidelines
4. Internal review checklist

Pricing tiers and preview terms

Ops Starter • \$44
